The best porn is when your partner is thrusting in her ass. I love watching porn with my girlfriend, and seeing her tits bounce. But the best thing about fucking her ass is when she comes, and I shoot a thick load of my cum inside her. I want to fuck my girlfriend's ass, and make her cum. Activation of the hypothalamic-pituitary-thyroid axis is frequently observed in patients with various metabolic disorders such as severe hypothyroidism, anorexia nervosa, diabetes mellitus, and hypoadrenalism. In these metabolic disorders, low serum TSH concentrations are observed even in euthyroid subjects. In this paper, the relationship between thyroid hormone, nutritional state, and metabolic regulation is examined. Furthermore, the problems related to the pathophysiological mechanism of the activation of the hypothalamic-pituitary-thyroid axis in these metabolic disorders are discussed.(b); } } return; } else { StringWriter writer = new StringWriter(); serializer.Serialize(writer, obj); return writer.ToString(); } 82157476af
